Many of these issues were agreed to change or not change and Mr. MacLean will be amending our proposed Development Plan according to the discussions and decisions reached by consensus on the numerous concerns expressed.

Council then recessed for lunch at 12:00 noon and reconvened at approximately 1:00 p.m.

Immediately following lunch, discussion continued concerning our proposed Development Plan. This discussion and verbal agreements on matters continued until approximately 4:00 p.m. when this portion of the meeting ended.

Council discussed the matter of the discrepancy letter received from the Department of Environment for our landfill sites. Council felt that they should meet with an environment representative to discuss these issues. This would be arranged for Monday, July 30, 2001 at the Rosenort Landfill Site.

Council then discussed the need to review our June 30, 2001 Financial Statement and to also discuss and possibly reach a decision on the Bruce Mazinke hog barn application. It was decided to hold a special meeting on July 31, 2001 at 9:00 a.m. to consider these matters.
