

A special meeting of the Council was held on the above date present the Reeve and Councillors Clubb, Smees, Stevenson, Stewart, Linnin and Haure.

The meeting was called for the purpose of discussing the cleaning out of the Drainage ditches the Council realized that it was unfair on the part of the Government to ask the Municipality to bear the cost of the work but rather than have the work neglected the Council decided to make an effort to have the work done.

Mr E. Anderson was called in and asked to submit a price on the work. He stated he would either do the work for \$4.00 while working and 4.00 per hour for moving, or else \$8.00 per hour for working and do the moving at his own expense.
 moved by Councillor Haure
 seconded " Smees.

That Mr E. Anderson be engaged to do the clean out work in Municipal and Government Drainage ditches in the Morris Municipality at the price of \$8.00 per working hour he to do the moving at own expense.
 (Carried)

It was decided to meet at the next regular meeting at 10 am according to the following resolution
 moved by Councillor Clubb
 seconded " Stevenson

That this Council meet for their regular meeting on June 15th at the hour of 10 a.m.
 meeting then adjourned.
