

The Rural Municipality of Morris

June 29, 1971

The Council of the Rural Municipality of Morris met in special session on the above date to finalize its decision regarding proposed Ward Boundary changes, together with discussing various other matters pertaining to the welfare of the corporation.

Harold Earl - Marcel Caron:

That we continue with the proposed Ward Boundaries as referred to in By-Law No. 1015.

Considerable discussion was given this matter and after over an hour of free expression regarding Ward Boundary changes a recorded vote was taken, which carried the motion.

In Favour: Harold Earl, Ward 2  
George Goossen, Ward 3  
Marcel Caron, Ward 4  
Ben Klassen Ward 5

Against: Gilbert Cretton, Ward 6

Neutral: W.F.Recksiedler, Ward 1

George Goossen-Gib Cretton:

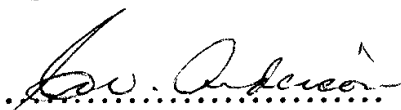

That we request the Department of Public Works and Highways to have the streets in the villages of "Aubigny", "Lowe Farm", "Rosenort" and "Sperling", designated a "grant-in-aid street system".

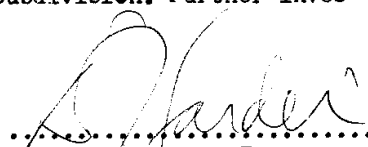

W.F.Recksiedler-Ben Klassen:

That we request the Municipal Planning Branch of the Municipal Affairs Dept. to re-zone from "A Rural" to "M 2", that portion of the Morris Planning Scheme described as follows:

"Being all that portion of the most southerly Two Hundred (200) feet in perpendicular depth of River Lot 323 Three hundred & twenty Three, of the Parish of Ste. Agathe, in Manitoba, according to a plan of same registered in the Winnipeg Land Titles Office as No. 3799, lying between the Eastern limit of a Public Road as said is shewn on a plan deposited in the said office as No. 4943, and the Western limit of the Lord Selkirk Highway as said Highway is shewn on said Plan No. 3799.

A proposed plan of subdivision of part of SW 8-6-1 EPM as presented by Franklin Plett, Rosenort, was given careful study; ~~an~~ approval was not made at this time, as ~~certain~~ a certain street on said plan did not appear to have the width deemed desirable for this subdivision. Further investigation will be made.
