

RURAL MUNICIPALITY OF MORRIS

The Council of the Rural Municipality of Morris held a special meeting at 9:00 A.M. on Thursday, May 16th, 1991 in the Council Chambers of the R. M. of Morris.

Reeve Dan Thiessen presided.  
Present were Councillors: George St. Hilaire, Harold Dyck, Glenn Curdt, Dick Zacharias, Bill Martens, Allan Dickson.

The purpose of this special meeting was to discuss the needed repairs for the Bridge Truck. The truck is in need of a new motor and Council was called to discuss what options may be available concerning this truck.

Councillor Bill Martens informed Council that a new engine cost \$3,750.00 and the labour costs were \$750.00 plus a new radiator would cost an additional \$700.00. Therefore the total costs of repairing the bridge truck would be approximately \$5,200.00 plus taxes. The new engine would have a 12 month or 24,000 Km warranty.

Council was also informed that possibly the truck needed four new tires for the rear of the Bridge Truck. Council was to check on the condition of the tires and later decide if new ones are needed.
