

# NEWS RELEASE

The Rural Municipality of Morris Council is pleased to announce that we have been working in collaboration with JQBuilt, a sub-organization of the Winnipeg Metropolitan Region. The purpose of this collaboration is resulting in the Rural Municipality of Morris being the recipient of a new daycare to be located in Rosenort.

On November 14<sup>th</sup>, 2022 the Premier of Manitoba announced that we, the Rural Municipality of Morris, are included in a proposal to construct nine new daycares in Manitoba. Proposed Daycare Location

Artistic Concept

Having a daycare in Rosenort will greatly benefit the parents and business community. The goal is to have the daycare operational by September 1<sup>st</sup>, 2023.

As a municipality we are pleased to be included in this project. The daycare will be located in the new Prairie Hearth Development directly south of the 'old ring dyke' in Rosenort. This will be a great start to the development.
