(If applying for several locations please fill out a separate application for each location, thank you)

*** We do not do provincial roads or highways**

Applicant's Name	Phone Number
Email Address	
Mailing Address	
Location of Work (Legal and/or Civic Address) REQUIRED	
Please check off the type of application you would like: <input type="radio"/> Single application 12 ft. x 500 ft. (1 layer)..... \$330^{.75} <input type="radio"/> Double width application 12 ft. x 500 ft. (2 layers)..... \$661^{.50} <input type="radio"/> Double length application 12 ft. x 1,000 ft. (1 layer).... \$661^{.50} <input type="radio"/> Other length (minimum 500 ft.) 12 ft. x _____ ft. \$ (please call our office if you need assistance calculating cost)	

1. A single application consists of placing the dust suppressant product 12 feet in width and 500 feet in length. A charge of \$315.00 plus 5% GST for a total of \$330.75 for a single application.
2. A cheque made payable to the **RM of Morris** in the amount of the prescribed fee must be attached to this application form. **Product will NOT be applied if payment is not submitted by application deadline.**
3. The RM of Morris accepts no responsibility for the effectiveness of the dust suppressant chemical; however, the product will be tested to ensure it meets standard specifications.
4. The RM of Morris reserves the right to perform such maintenance procedures as it deems necessary on the treated portions of the roadway. Although the RM of Morris will attempt to minimize any adverse effect of these operations on the treated portion of the roadway, the RM of Morris will not accept liability for any restoration required.
We will make our best efforts to have the application applied mid/end of June, however this cannot be guaranteed.

Application deadline: MAY 26th 2023

**Submit Cheques to: RM of Morris
Box 518, Morris, MB, R0G 1K0**
