(1 layer) ... \$1,092⁰⁰ <input type="radio"/> Other length (minimum 500 ft.) 12 ft. x _____ ft. \$ _____ (please call our office if you need assistance calculating cost)	

1. A single application consists of placing the dust suppressant product 12 feet in width and 500 feet in length. A charge of \$520.00 plus 5% GST for a total of **\$546.00** for a single application.
2. A cheque made payable to the **RM of Morris** in the amount of the prescribed fee must be attached to this application form. If your application is submitted without payment, it is your responsibility to contact our office to make payment arrangements. **Product will NOT be applied if payment is not submitted by application deadline.**
3. The RM of Morris accepts no responsibility for the effectiveness of the dust suppressant chemical; however, the product will be tested to ensure it meets standard specifications.
4. The RM of Morris reserves the right to perform such maintenance procedures as it deems necessary on the treated portions of the roadway. Although the RM of Morris will attempt to minimize any adverse effect of these operations on the treated portion of the roadway, the RM of Morris will not accept liability for any restoration required.
5. We will make our best efforts to have the application applied mid/end of June, however this cannot be guaranteed.

Price increase is due to the increase of product from our supplier & no increase in 2023

Application deadline: MAY 24th 2024

**Submit Cheques to: RM of Morris
Box 518, Morris, MB, ROG 1K0**
