

PUBLIC NOTICE

Public Notice is hereby given that the Rural Municipality of Morris will be accepting written tenders for the rental of two parcels of farmland. The two parcels are as follows:

Parcel 1:

Approximately 70 acres of farmland on 1-8835; 3-8835; 9-8835; 1-3218, DESC NE 6-6-1E; DESC NE 6-6-1E. This land is just East of the West side ring dyke around Rosenort; it was previously known as the Dee Zed property. It is slated for future commercial/residential development, however is currently being cultivated and farmed. If any residential development takes place during the tender lease period, rent will only be on the amount of land available for cultivation.

Parcel 2:

Approximately 70 acres of farmland on SW 5-6-1E. It is slated for future industrial development, however is currently being cultivated and farmed. If any industrial development takes place during the tender lease period, rent will only be on the amount of land available for cultivation.

The lease period will be for 3 years and will start for the 2025 cultivation year and will end at the end of the 2027 cultivation year. Land must be properly worked in the fall of each year and payment will be due by October 31st in each year.

Tenders will close at 12:00 PM noon on February 28th, 2025. People wishing to submit a tender should state which parcel they are tendering on and also the dollars per acre (\$/acre).

Council reserves the right to reject any tender.

All Tenders should be submitted in writing, either at the address shown below or via email listed and should be clearly marked "Rural Municipality of Morris' Land Tender."
