1. A single application consists of placing the dust suppressant product 12 feet in width and 500 feet in length. A charge of \$520.00 plus 5% GST for a total of **\$546.00** for a single application.
2. A cheque made payable to the **RM of Morris** in the amount of the prescribed fee must be attached to this application form. If your application is submitted without payment, it is your responsibility to contact our office to make payment arrangements. **Product will NOT be applied if payment is not submitted by application deadline.** If you send your application by mail, ensure you allow enough time before the deadline to ensure we receive it by the deadline.
3. The RM of Morris accepts no responsibility for the effectiveness of the dust suppressant chemical; however, the product will be tested to ensure it meets standard specifications.
4. The RM of Morris reserves the right to perform such maintenance procedures as it deems necessary on the treated portions of the roadway. Although the RM of Morris will attempt to minimize any adverse effect of these operations on the treated portion of the roadway, the RM of Morris will not accept liability for any restoration required.
5. We will make our best efforts to have the application applied mid/end of June, however this cannot be guaranteed.
6. Unless otherwise specified, we will assume the application is to be distributed evenly on both sides of the driveway on the public roadway, at the location indicated above. For example, if 500 feet is requested, we will apply 250 feet on each side. If you would like the application distributed differently, please include a sketch of your desired layout on the reverse side of this page.

**Application deadline:    MAY 16, 2025**
