

## Rural Municipality of Morris

# • Development Plan Review •

The Rural Municipality of Morris is reviewing and updating its Development Plan.

### What is a Development Plan?

Establishes a vision for the Municipality for the next 20-25 years.

Identifies development and growth objectives for the community.

Provides policy guidance for land uses, livestock operations, and subdivisions.

### We want to hear from you!

The RM of Morris has prepared an updated Development Plan based on a collaborative planning process and community engagement. Now we want your feedback on the draft plan. See below for the ways you can share your feedback and ideas.
